

Lake Street Council and Xcel Energy
are jointly sponsoring an **ENERGY EFFICIENCY EVENT**
with the City of Minneapolis and the Midtown Business Association.

This symposium will provide **no-cost, low-cost solutions** to save business owners and commercial property owners money on their energy bill.

Join your neighbors at the Midtown Sheraton for information on how to lower your energy bill and save money. The workshop will include both experts in energy efficiency audits and solutions, as well as guests like you who have already made some changes that are saving money.

Learn from your neighbors what saves energy and saves dollars. You can expect to walk away from the event with a keener knowledge of the specific opportunities, costs and benefits.
