

It's Not Easy Being Green *-Or Is It?*

No or Low Cost Loan and Grant Programs for Minneapolis Businesses Ready to Go Green

The Northeast Minneapolis Chamber invites you to attend this informational session to learn about best practices, loans and incentives available to Minneapolis businesses that make their work places greener. It's easier than you think. We'll have local businesses and experts on hand from the City of Minneapolis, The Green Institute and Xcel Energy to share their experiences and walk you through the wide spectrum of possibilities. A continental breakfast will be provided. *
